Our results were excellent. One shot was usually all it took to clean a hose, with a few more required for severely fouled situations. Because of this success, we now have a JetLaunch® in each branch shop and on every service truck. — **J. Palmer Clarkson**

Standard Projectiles

Goodway's Standard Projectiles are specially formulated for use with any pneumatic gun. As a projectile is shot, it is compressed, loosening and propelling dirt and deposits through the hose, tube or pipe. Projectiles are oversized to ensure proper compression for maximum cleaning action.

Note: Abrasive projectiles and custom sizes available.
